

SCRIPTURE of the DAY

Exodus 22: 20-26
Psalm 17: 2-4, 47, 51
1 Thessalonians 1: 5-10
Matthew 22: 34-40

**"You must be real
disciples of Christ...
with a faith that is
not merely
intellectual or
passive, but active
and dynamic."**

Saint John Paul II

It is moving from a Faith of Head Knowledge (what was taught in Sunday school) to a Faith of Heart and Action (becoming independent, missionary disciples who make a tangible difference).

① Active vs. Passive Faith

Our faith is an ongoing process. It is a journey of discovery of who God really is. The formation of our faith requires a grounding belief in which we have to learn and from there, our goal is outward, becoming "Missionary disciples" that impacts the world and our community.

② Power of the "Now"

The future remains a mystery but for the "now", we are grounded in what we believe in. Spiritual transformation and discipleship for Christ does not happen tomorrow but they happen in the choices we make today.

③ Internal Realignment

When our core belief is solid, everything will fall in place because of what we believe in. The chaos of life will make sense through that lens of faith that we have from the time we knew who God really is. But knowing God is always a continuing process. It never ends.

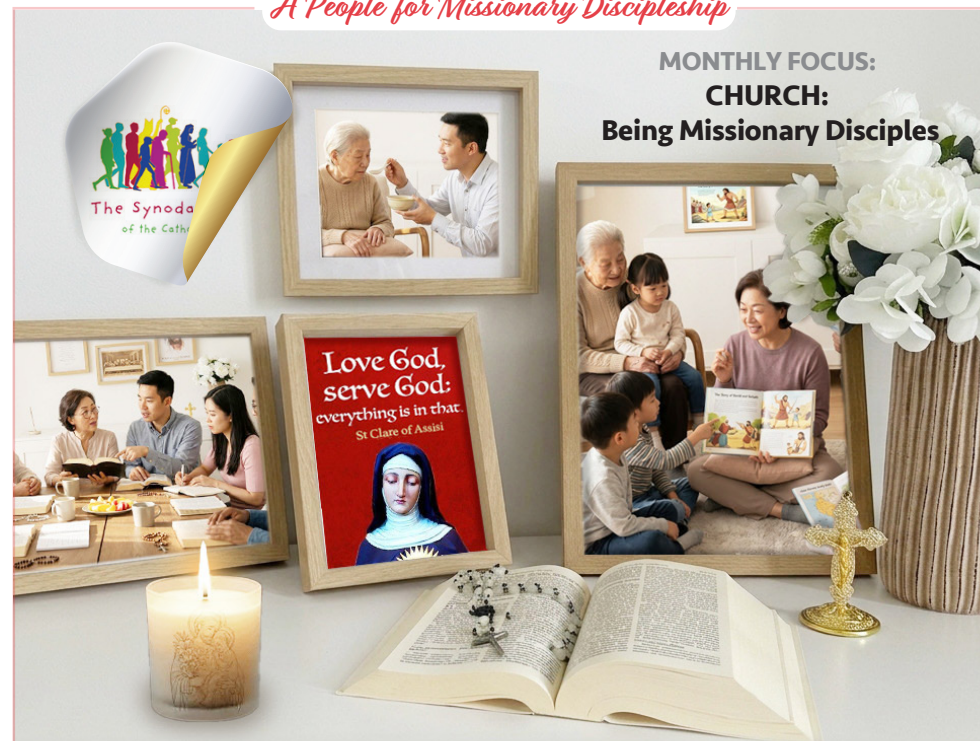

All of us are called to live our Faith authentically so that we are always of good courage, do not build lives that has no meaning but pursuing what the Holy Spirit wants us to pursue. We choose to live according to what God reveals to us, rather than trust our own understanding. ✚

Parish Renovation & Tender Invitation

As we prepare to undertake much-needed renovations for our parish, we have outlined the official scope of work and are now inviting interested contractors to bid via an open tender. To ensure efficient planning and budget management, the renovation will take place in two stages:

1. **Phase 1:** Execution of tasks under the RIBI allocation.
2. **Phase 2:** Projects funded directly by parish resources.

We are also requesting interested contractors to include proposals for the **Bell Tower project** as part of their submissions.

Key Information & Tender Submission:

- **Submission Deadline: October 23**
- **Contact:** If you or someone you know would like to participate in the tender, please reach out to **Parish Maintenance Team** for further details and tender documents.

Transparency & Parishioner Support: Once all tenders and plans are finalized, we will post the details on the parish notice board for complete transparency. For parishioners who feel moved to support this effort, financial donations toward the renovation project are deeply appreciated.

We thank you for your prayers and generous support as we embark on this project to care for our spiritual home.

The New Parish Website & Digital Transition

We are thrilled to announce that our new parish website is ready to launch! A massive thank you to Bryan Pereira and Bryon Savero for their dedicated assistance in making this happen.

Website Link: www.sfdssitiawan.org or You can scan our QR code displayed on screen or at the church entrance to access it instantly!

What You Will Find on the Website:

- a) Mass times, weekly updates, parish calendar, sacramental information, and contact details.
- b) Gradual Upgrades: We are starting with a clean, basic platform and will continue to upgrade and add features over time based on our community's needs.

Important Changes Starting Next Month:

- a) Discontinuing Printed Bulletins: Starting next month, we will discontinue the general printed photocopy bulletin to go digital and ecofriendly. (Note: If any elderly parishioners still require a printed copy, please kindly inform Ms. Cornelia so we can continue to support your needs.)
- b) Official Mass Media Channels: We warmly encourage everyone to visit our new website or stay connected via the official parish WhatsApp group. These two platforms will now serve as our official channels for all parish communications.
- c) Streamlining Social Media: With the launch of our official website, we are closing down our other social media accounts (such as Facebook, Instagram, and YouTube) to keep things simple, focused, and secure. Please note that the parish will no longer monitor or post updates on these platforms.

A Note of Care for Our Parishioners: We want to make sure no one is left behind in this digital transition. If you, or an elderly family member or friend, need help accessing the website or joining the WhatsApp group, our volunteers will be available after Mass today to walk you through it step-by-step!
